## Water Equipment Rules:

**Safety first.**

**Life Jackets must be worn on all of our water equipment.**

**No “horseplay” or destructive activities allowed.**

Sign-out period is for while being used. Return **immediately** to designated main dock area when done using. Do not leave water equipment at the beach. Do not store water equipment at your cabin.

Do not overload water equipment with too many passengers. Children 10 and under must be supervised by adult.

Metal paddles sink. Children 14 and under need to use wood paddles.

**Stand-Up Paddle Boards:** Fins can be easily damaged. Use and store so that fins are not being touched by anything except water and air. Safety straps must be worn at all times. Use paddles only for maneuvering the board, paddles should have blade facing away from you and 9 inches taller than paddlers height.

**Kayak/Canoes/Paddleboat:** Are stored upside down. Everyone must be seated in their own seat.

**Yellow Canoe:** Made of fiberglass do not step on/into canoe unless it is completely in water because fiberglass will break.

Estimated replacement costs.
